Summary

I am a cybersecurity enthusiast, skilled graphic designer, dedicated GDSC (Google Developer Student Clubs) lead, and proficient Python programmer with a relentless passion for exploring the latest tech innovations while actively working toward my goals. My diverse skill set and experiences have shaped me into a well-rounded professional who excels not only in technical domains but also as a strong leader, attentive listener, and effective communicator.

Experience

Internship Trainee
CodeAlpha · Internship
Sep 2023 - Oct 2023

Skills: Python (Programming Language)

As an Internship Trainee at CodeAlpha from September to October 2023, I had the opportunity to further develop my skills in Python. During this brief but intensive internship, I channeled my programming expertise to create and successfully implement three unique software programs. These programs not only allowed me to apply my technical knowledge but also exposed me to real-world software development challenges, providing valuable hands-on experience in the field.
